Commissioner for Patents

The instant reissue application is essentially based on unamended original claims 1-4. Please note that the minor typographical correction to the spelling of the word "decoder" is not sufficient grounds for filling of a reissue. Therefore, further action in this application is suspended to await examination in the divisional application containing the added claims. See MPEP 1450. Ex parte prosecution is suspended for a period of 6 months from the date of this letter. Upon expiration of the period of suspension, applicant should make an inquiry as to the status of the application.
